LA NOSTRA COLLEZIONE

OUR COLLECTION

La Zeus Sport dispone di una vasta gamma di articoli; il nostro catalogo si avvale di oltre 500 articoli disponibili in varie colorazioni e taglie. Ogni prodotto è frutto di uno studio approfondito che si concentra su:

- La ricerca di tessuti sempre più innovativi grazie ai quali l'atleta, professionista e non, ha la possibilità di svolgere attività fisica in estrema comodità;
- La precisione dei più piccoli dettagli, che soddisfa sia il lato estetico che quello pratico del prodotto.

Ogni anno vengono inseriti nuovi articoli, che nascono dalle esigenze sempre più elevate di ogni singolo sport. Ed è per questo che negli ultimi anni sono state introdotte nuove linee, per permettere alla Zeus Sport di essere presente nello sport a 360°, in ogni sua forma.

Zeus Sport offers a wide range of articles; our catalogue has over 500 items available in different colors and sizes. Each product is the result of a study that focuses on:

- the research of ever more innovative tissue through which the athlete, professional or otherwise, has the ability to perform physical activity in comfort;
- the accuracy of the smallest details, satisfy both the aesthetic and practical side of the product.

Every year there are new items, which arise from the increasingly high demands of each sport. And that is why in recent years have introduced new lines, to allow the Zeus Sport to be present in the sport at 360°, in all its forms.

Far sentire ogni sportivo una divinità: questo è il significato del pay-off "ZEUS VESTE GLI DEI". L'obiettivo principale che si pone la Zeus Sport è quello di affermarsi sempre più nel mondo dello sport, attraverso le sue principali caratteristiche che corrispondono anche alle corrette abitudini del vivere quotidiano: SERIETA', SEMPLICITA', PROFESSIONALITA' e VOGLIA DI FARE. Lo sport ha assunto sempre più importanza anche da un punto di vista sociale, economico e politico, diventando parte integrante della cultura di una società e sviluppandosi in simbiosi con i cambiamenti che la contraddistinguono. Per questi motivi la Zeus Sport si propone al mondo degli sportivi come un'azienda dinamica e sensibile a queste continue evoluzioni.

Make every sportman a divinity: that is the meaning of the pay-off "ZEUS WEARS THE DIVINITY". The main goal of the Zeus Sport is to become more marked in the sports world, through its main features that correspond with the correct habits of the real life: TO BE SIMPLE, TO BE SERIOUS, TO BE PROFESSIONAL AND TO BE WILLING. The sport has become increasingly importance also from a social point of view, economically and politically, becoming an integral part of the culture of a society and its development in harmony with the changes that mark. For these reasons the Zeus Sport aims to the world of sports as a company dynamic and sensitive to these continuous developments.

VESTE GLI DEI

A close-up, artistic photograph of a white handball jersey. The jersey features a V-neck collar with a grey mesh interior and a blue ribbed trim. Three horizontal stripes are visible: a green stripe at the top, a red stripe in the middle, and another green stripe at the bottom. The word "Zeus" is printed in a bold, black, sans-serif font across the middle green stripe. The background is a dark, textured surface with splatters of white, green, and red paint or dust, creating a dynamic and energetic atmosphere.
